Guest Speaker:

PAM STENZEL

Pam Stenzel has spent her entire adult life working with women experiencing crisis pregnancies, advocating for LIFE and helping students make the best choice and save sex for marriage. Pam's personal story, being conceived in rape and yet adopted and loved, gave her the passion to speak on the value of every human life as well as walk along side women in crisis and bring them help and hope. Pam's life mission is to always point to the value of every single person, created in God's image, with a plan and a purpose. Every person deserves the dignity and respect bestowed upon them by their Creator first, every life has value because we are all children of God.

Currently, Pam serves as the Client Services Director for Community Pregnancy Clinics operating 5 clinics and 2 mobile clinics across Southwest and Central Florida. Pam also serves on the board of Safe Haven Baby Boxes, and is the director of the National Safe Haven Crisis Hotline 1-866-99BABY1. Pam serves on the national board of Infinite Worth, has produced curriculum on sexual integrity for BrightCourse, as well as training for pregnancy help centers on the same platform under "Bright Training". She has trained staff and volunteers in pregnancy help centers across the country as well as helped raise money for these nonprofit centers.

Pam is the Founder of Enlighten Communications, Inc. and travels speaking to over 500,000 teens a year. Pam has been a guest on numerous national TV and Radio programs, including appearances on Fox News Network's "Hannity & Colmes Show," ABC Radio's "Sean Hannity Show," "The Dr. Laura Show," CBN's "The 700 Club," and ABC Television's "Politically Incorrect with Bill Maher."
